ABOUT FUNWHOLE

'FUNWHOLE' is a combination of the words "fun" and "whole", meaning "the whole fun of both day and night".

Founded in 2014, based on the desire to fully express the whole beauty of bricks (in day and night), FUNWHOLE is the world's first lighting bricks manufacturer.

FUNWHOLE is dedicated to the lighting bricks product, with a combination of bricks and lights. FUNWHOLE was birthed out of lights and bricks, allowing lights shine through your bricks and bring your night bricks to life.

As the pioneer to bring the first lighting bricks, FUNWHOLE was created to bring back brightness to the night world, making day and night whole with the lighting fun.

Engaged in building a creative brand, brick by brick, light by light, FUNWHOLE strives to bring fun and joy to millions of people.

FUNWHOLE creates more than bricks but also let the lights shine through bricks, hoping every building brick lover can enjoy the beauty of lighting!

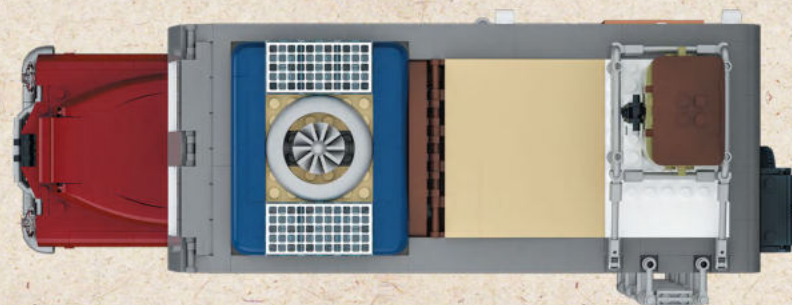

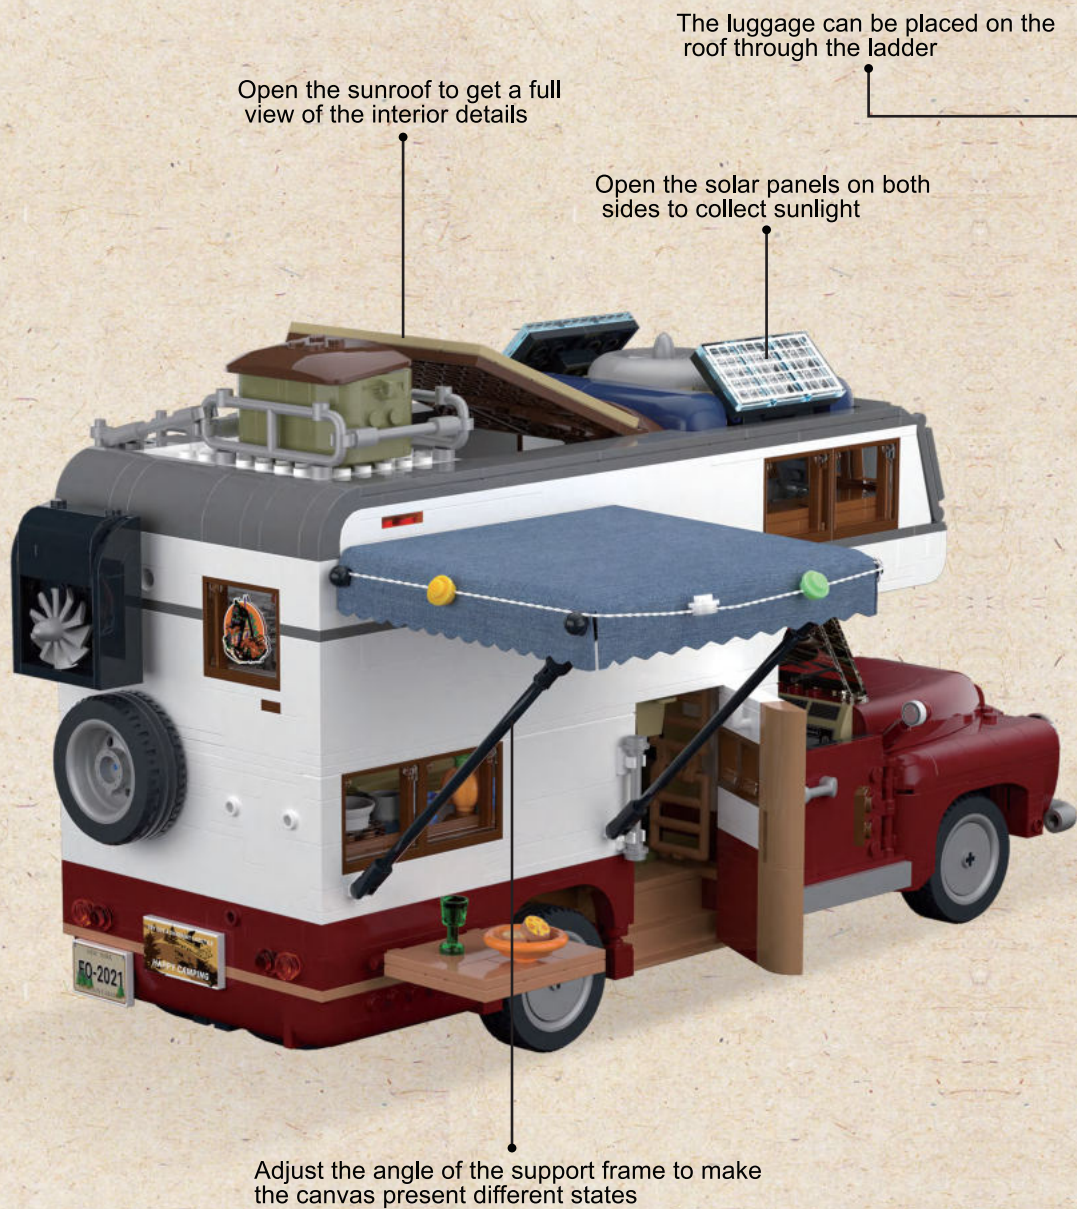

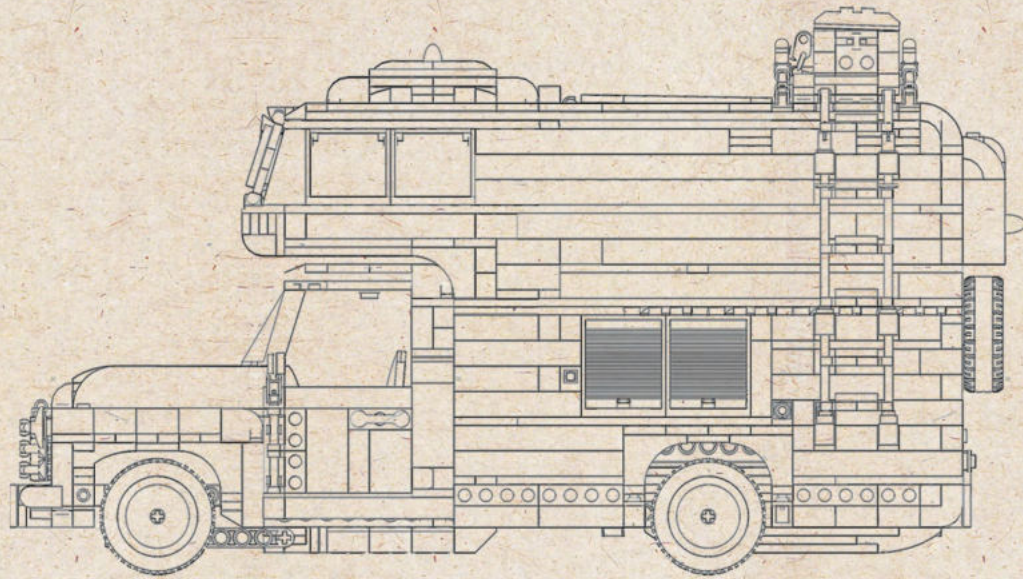

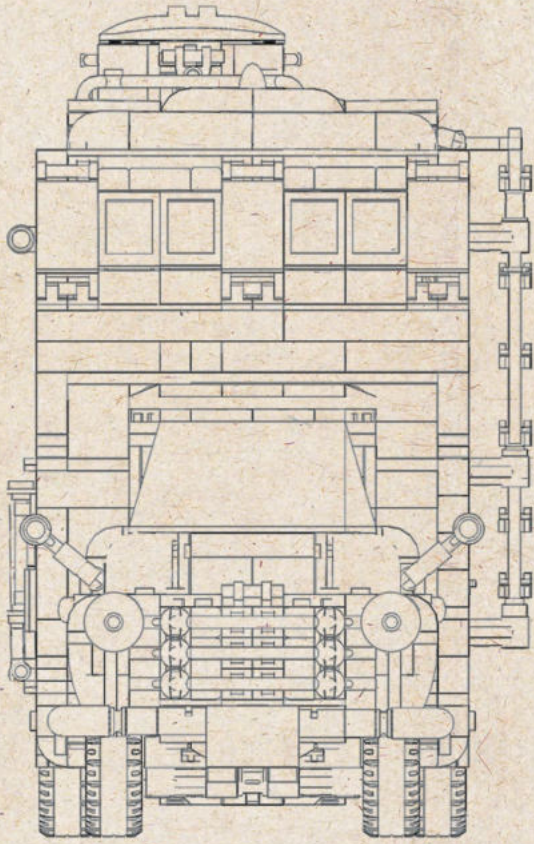

INSPIRATION

Nothing is more meaningful than a vacation trip. Let go of your busy work and enjoy the camping adventure vacation with the family. This set of product will satisfy all your fantasies about camper vans.

From boarding the van, you can go to a new strange place and experience a different journey with a different mood. It takes the van as the carrier to perfectly combine travel and life. The camper van is equipped with a kitchen, dining area, bathroom and a bedroom that can accommodate up to two people. Having enough rooms can always bring enough benefits. No matter how far the distance is, it is no longer a problem. We can enjoy the beautiful scenery outside the window while driving and listening to music. When you come to the campsite, you can enjoy the journey by lighting a campfire on the campsite with the family, sitting cross-legged. Of course, please follow the principle of "leaving no trace".

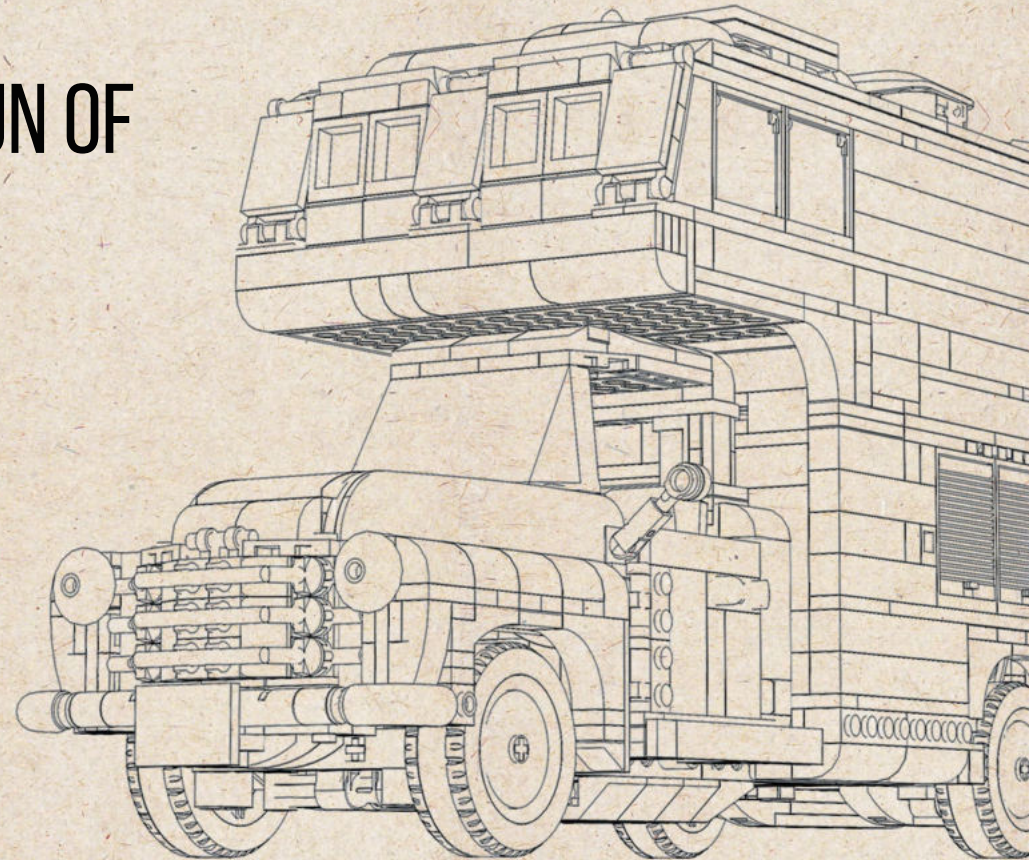

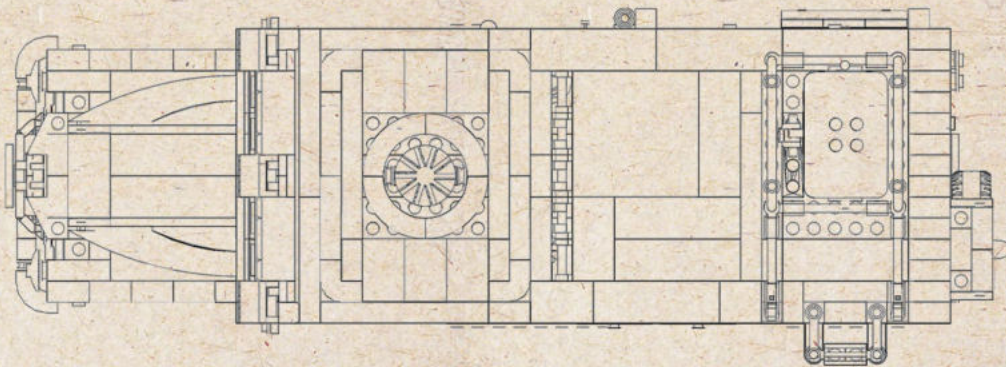

Try to free yourself from the daily life and give yourself time to experience the second life outdoors. Everything you experience will be rewarded in another way!

“ENJOY THE FUN OF BUILDING”

It will be a huge project to add light kits in the building process. please believe and try to use the tools FO has prepared for you to make the whole building process more interesting. No matter what your collection style is, we can always create a unique collection of building blocks for your collection and add a touch of color to your collection. Wish you good luck!

TROUBLESHOOTING

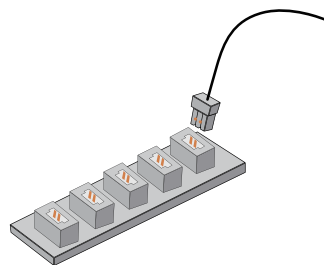

Due to the small size of the lighting accessories, they are easily damaged by improper installation and the following are common causes of failures.

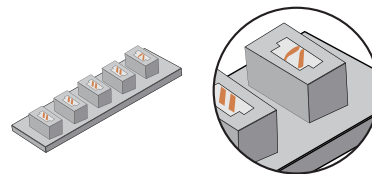

1. Please check that the power switch on the battery box is on and that the "+" and "-" poles of the battery are correctly placed

(make sure you are using new batteries)

And check if the upper and lower connections to the "+" and "-" poles of the power switch are installed correctly.

2. Please check that the connectors are correctly installed as shown in the picture.

3. Please check the internal pins of the connector sockets. The internal pins of a properly working connector port should be straight, if the small pins are bent they can be judged as faulty ports.

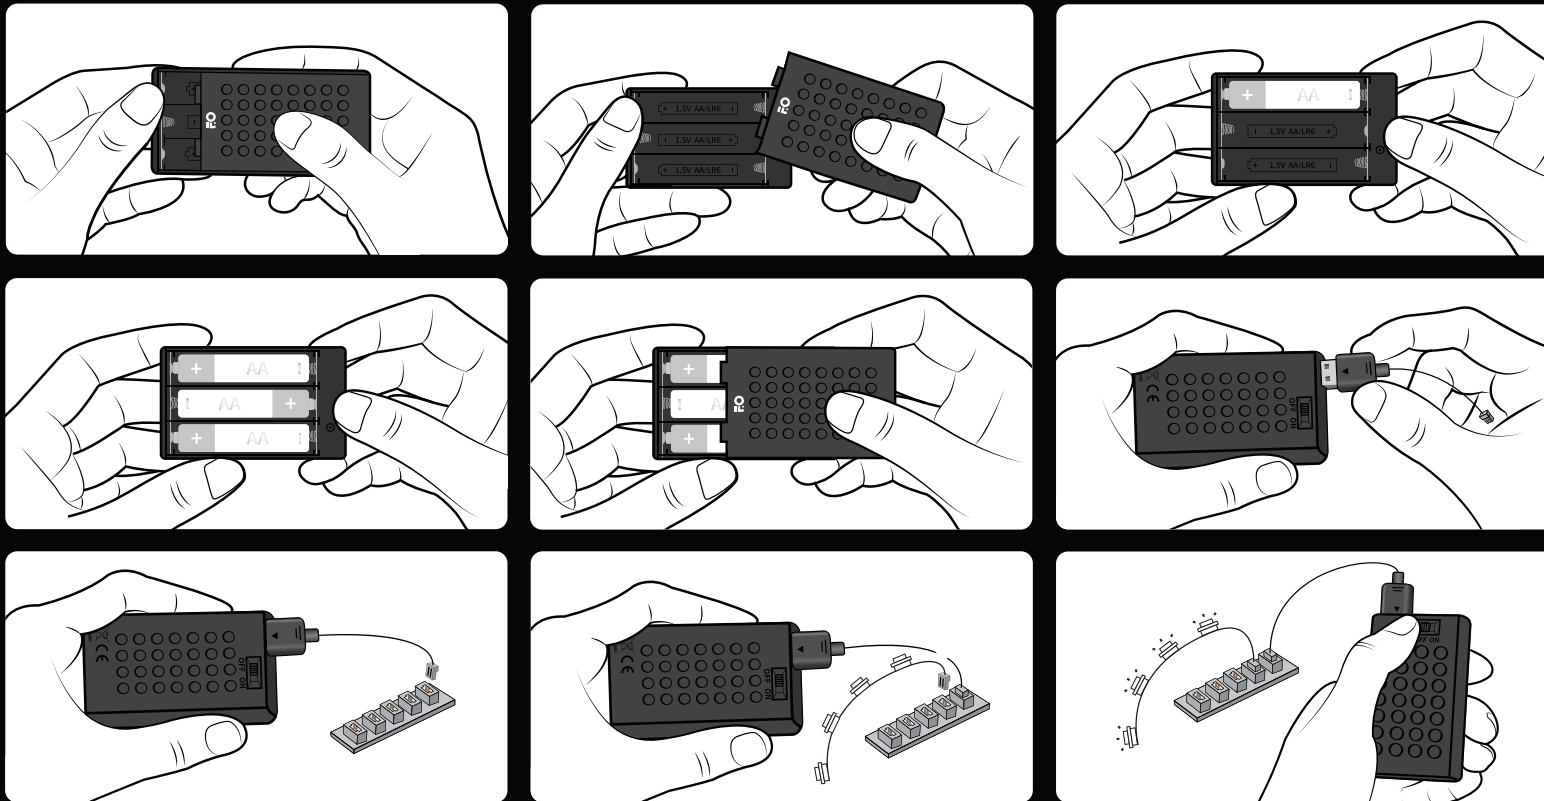

4. Please check that if the wires are disconnected or broken from the solder joints.

If you check each string of lights according to the guide above and the lights still do not light up, please contact our customer service.

SAFETY PRECAUTIONS

1. To avoid damage to the product and safety hazards, please check the voltage before use.
2. The lights are not replaceable, please refer to troubleshooting or contact our customer service if they're damaged or not lit.
3. Do not pull on the light connection wires to avoid damage.
4. Do not expose the product to water as this may damage the product.
5. If the plug does not fit easily into the port connector, please reverse the direction and insert it again. Do not force it in to avoid damage and short circuit.
6. Please read and follow the instructions carefully during building to make sure you have a good building experience.
