Carpentry Van
Farm Life

ABOUT FUNWHOLE

'FUNWHOLE' is a combination of the words "fun" and "whole", meaning "the whole fun of both day and night".

Founded in 2014, based on the desire to fully express the whole beauty of bricks (in day and night), FUNWHOLE is the world's first lighting bricks manufacturer.

FUNWHOLE is dedicated to the lighting bricks product, with a combination of bricks and lights. FUNWHOLE was birthed out of lights and bricks, allowing lights shine through your bricks and bring your night bricks to life.

As the pioneer to bring the first lighting bricks, FUNWHOLE was created to bring back brightness to the night world, making day and night whole with the lighting fun.

Engaged in building a creative brand, brick by brick, light by light, FUNWHOLE strives to bring fun and joy to millions of people.

FUNWHOLE creates more than bricks but also makes the lights shine through bricks, hoping every building brick lover can enjoy the beauty of lighting!

INSPIRATION

Alan is an active figure in the small town, with superb skills in using hand tools and machinery to turn wood into exquisite furniture. He often provides on-site woodworking services for the residents of the town.

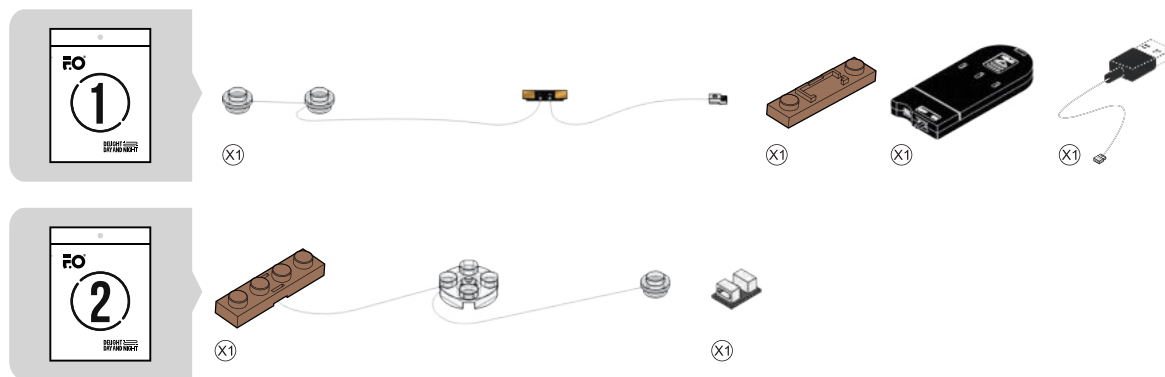

Alan has a tool van that has been converted from a bread van. The workbench is filled with various woodworking tools and drawings, from saws to planes, from drills to hammers, each one is the most handy "old buddy".

He can set off with his tools at any time. His woodworking skills and enthusiasm bring beauty and warmth to the small town. His works are exquisite, durable, and unique, each with his creativity.

He also accepts young apprentices and patiently teaches them how to choose wood, use tools, and apply creativity, making them gradually become outstanding carpenters.

LED LIGHT KIT PACKAGE LIST

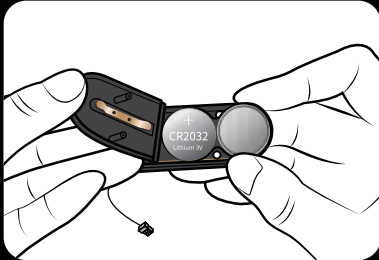

Please check and make sure you get all the lighting accessories. Contact us if there are any missing components.

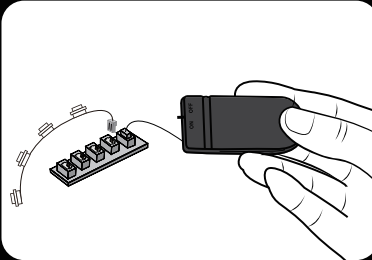

Note: when installing, don't pull it hard, bend it or shake it to avoid damage. The supply voltage should be below 5V, and the button battery holder voltage can be below 6V. Not for children under eight.

SAFETY PRECAUTIONS

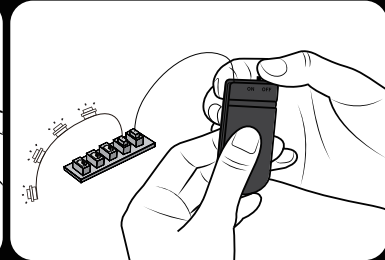

1. Before use, please make sure to check the voltage to avoid damage to the product and potential safety hazards.
2. The lights in the product are not replaceable. If they are damaged or not lighting up, please refer to the troubleshooting section or contact our customer service for assistance.
3. Avoid pulling on the light connection wires as this may cause damage.
4. Do not expose the product to water as it may damage the product.
5. Please read and follow the instructions carefully during building to ensure a good building experience.
6. This product doesn't include batteries or power banks. Please prepare your own batteries or power banks to power the LED light kits.

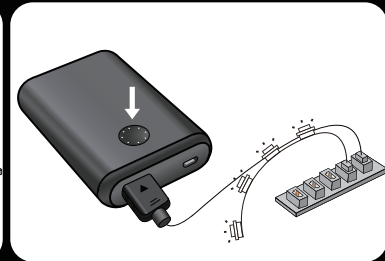

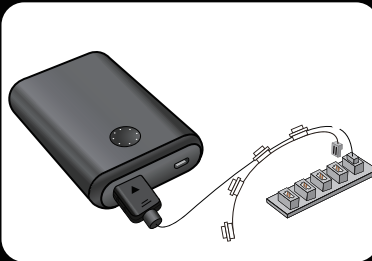

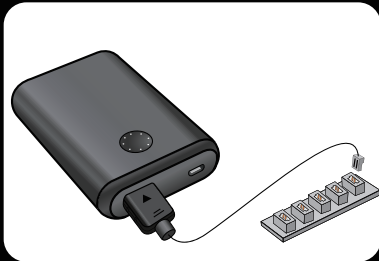

Battery box name: oval battery box

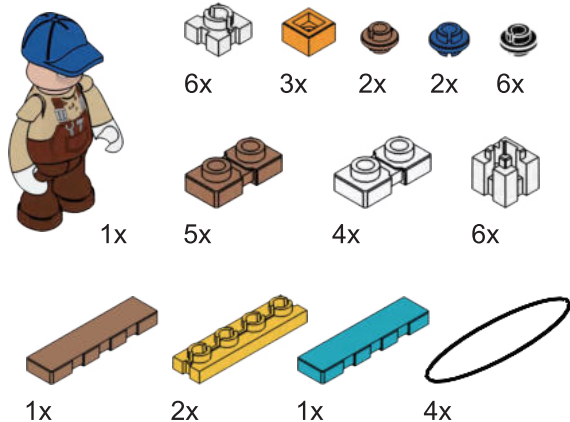

Battery type: CR2032*2

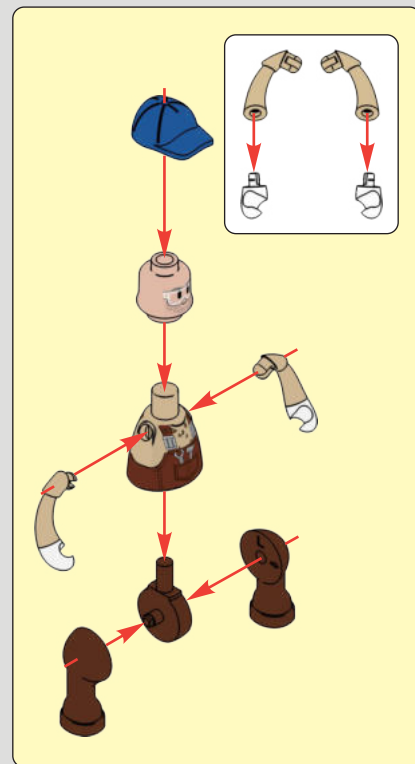

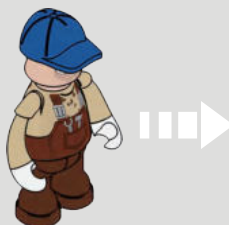

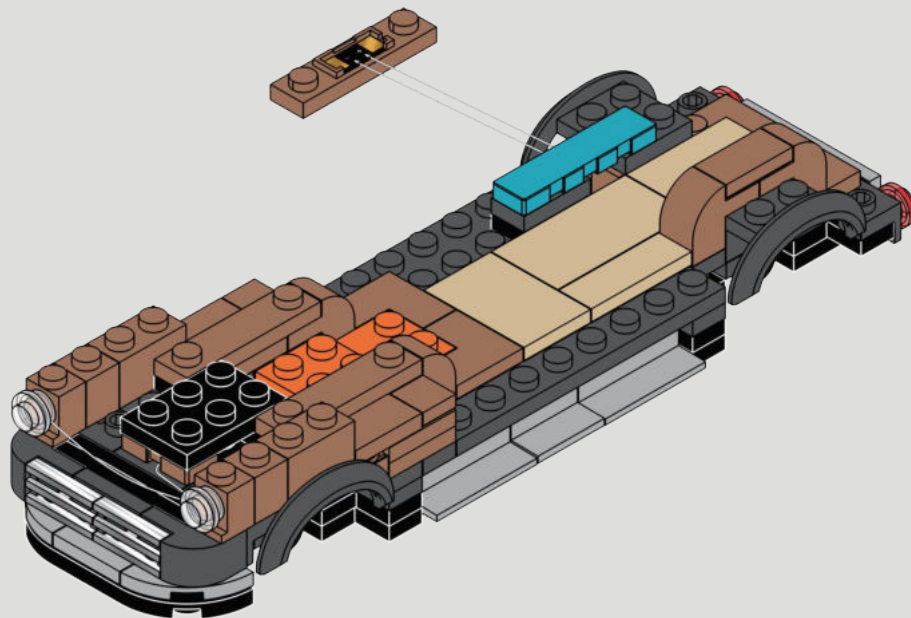

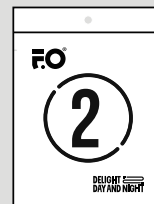

Battery rated voltage: 3V

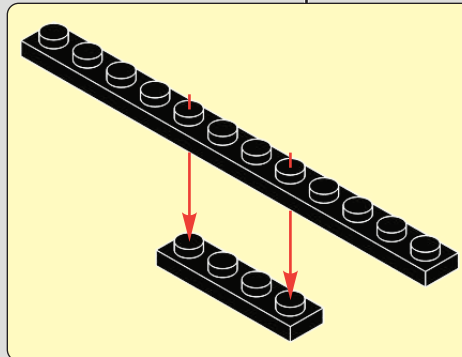

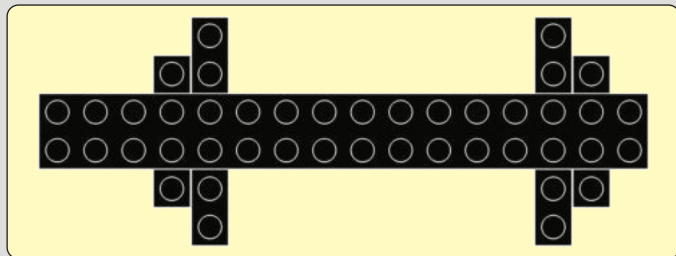

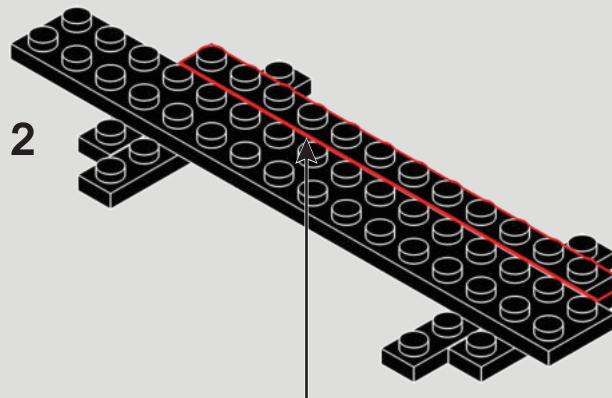

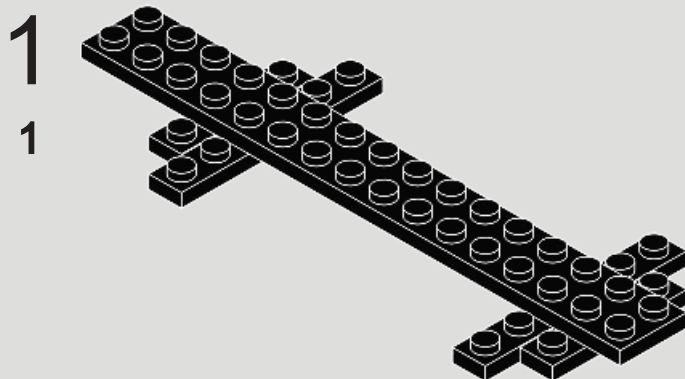

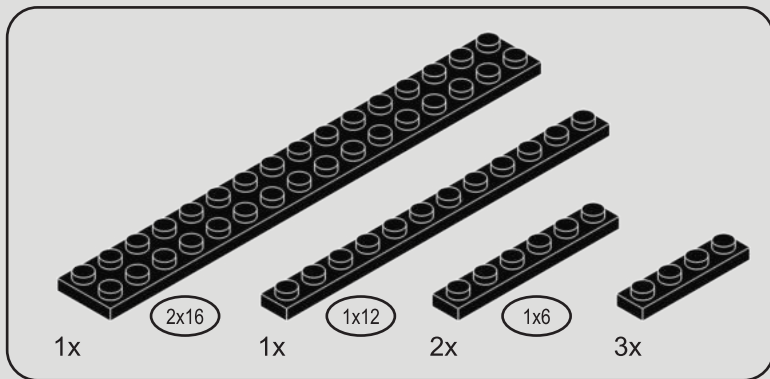

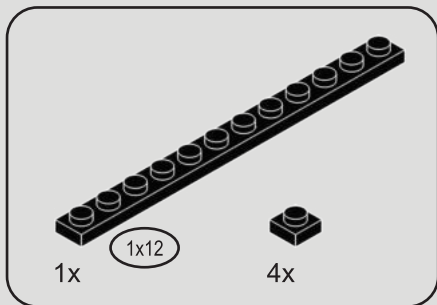

F-pack has two parts:
minifigure bricks and special bricks.
Assemble minifigure bricks according to
instructions on the right. Keep special
bricks for later assembly steps.
