# ABOUT FUNWHOLE

'FUNWHOLE' is a combination of the words "fun" and "whole", meaning "the whole fun of both day and night".

Founded in 2014, based on the desire to fully express the whole beauty of bricks (in day and night), FUNWHOLE is the world's first lighting bricks manufacturer.

FUNWHOLE is dedicated to the lighting bricks product, with a combination of bricks and lights. FUNWHOLE was birthed out of lights and bricks, allowing lights shine through your bricks and bring your night bricks to life.

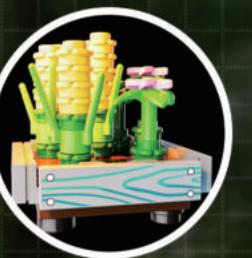

As the pioneer to bring the first lighting bricks, FUNWHOLE was created to bring back brightness to the night world, making day and night whole with the lighting fun.

Engaged in building a creative brand, brick by brick, light by light, FUNWHOLE strives to bring fun and joy to millions of people.

FUNWHOLE creates more than bricks but also makes the lights shine through bricks, hoping every building brick lover can enjoy the beauty of lighting!

# INSPIRATION

Many people have found that caring for plants helps reduce stress, improve mood, and provide a sense of accomplishment during tough times. In the post-pandemic era, more people are turning to home gardening, engaging in activities like sowing, watering, fertilizing, and harvesting, which lets them experience nature's cycle more directly. Gardening offers tangible rewards for effort and helps busy urbanites find inner peace.

Though gardening and block-building seem different, they share emotional parallels. Both involve a journey from something simple—a seed or scattered blocks—to something complete and satisfying. Both activities offer achievement, satisfaction, patience, observation, creativity, and a sense of connection.
