# ABOUT FUNWHOLE

'FUNWHOLE' is a combination of the words "fun" and "whole", meaning "the whole fun of both day and night".

Founded in 2014, based on the desire to fully express the whole beauty of bricks (in day and night), FUNWHOLE is the world's first lighting bricks manufacturer.

FUNWHOLE is dedicated to the lighting bricks product, with a combination of bricks and lights. FUNWHOLE was birthed out of lights and bricks, allowing lights shine through your bricks and bring your night bricks to life.

As the pioneer to bring the first lighting bricks, FUNWHOLE was created to bring back brightness to the night world, making day and night whole with the lighting fun.

Engaged in building a creative brand, brick by brick, light by light, FUNWHOLE strives to bring fun and joy to millions of people.

FUNWHOLE creates more than bricks but also let the lights shine through bricks, hoping every building brick lover can enjoy the beauty of lighting!

# INSPIRATION

For those who are fans of the Middle Ages, the history and culture of that era have always been deeply fascinating. This Medieval Market set was created by FO® as an imaginative exploration of medieval town life, aiming to showcase the vibrant and diverse scenes of daily life in medieval towns.

Experience this model of a medieval market, which can be used for both display and play. Explore the lively and bustling lives of townspeople during the day in every corner, and light up the market scene as night falls and everything returns to peace. Use your imagination to interact with the five different figures in the set with the scene, and bring this market to life, building your own medieval market that is unique to you.

# WHAT'S INCLUDED

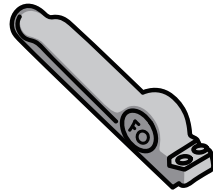

Please check and make sure you have all the items listed below.

Building Bricks

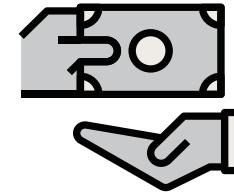

LED Light Kit

Brick Separator

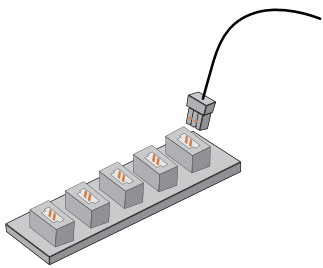

User Manual

Service Card

# TROUBLESHOOTING

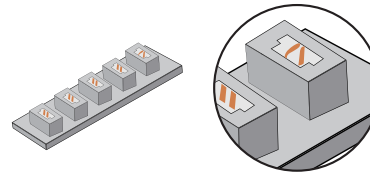

The small size of lighting accessories makes them susceptible to damage during installation, and the following issues are common causes of failure.

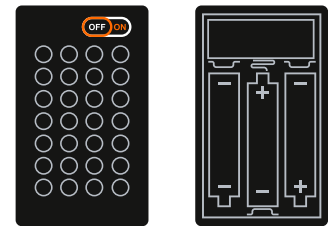

1.Ensure that the connectors are correctly installed as shown in the picture.

2.Check if the wires are disconnected or broken from the solder joints.

3.Check the internal pins of the connector sockets. The internal pins of a properly working connector port should be straight. If the small pins are bent, they may be considered faulty ports.

4.Check that the power switch on the battery box is on and that the "+" and "-" poles of the battery are correctly placed (using new batteries)

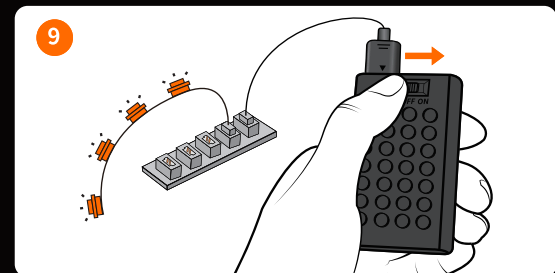

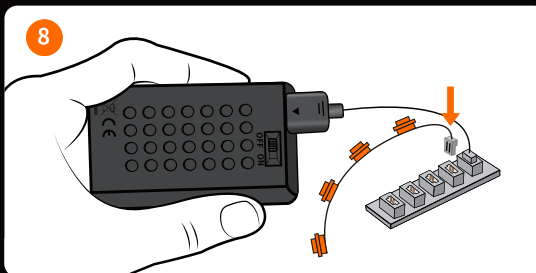

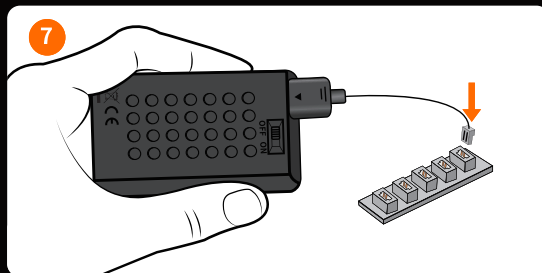

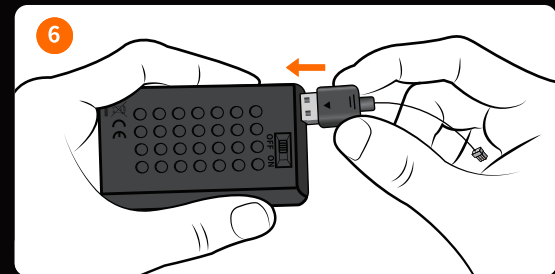

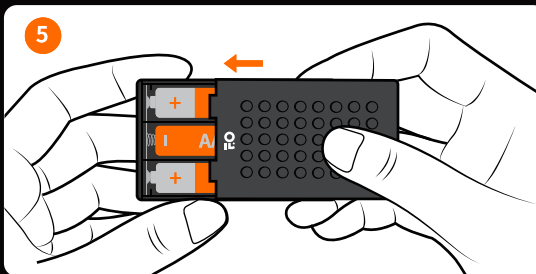

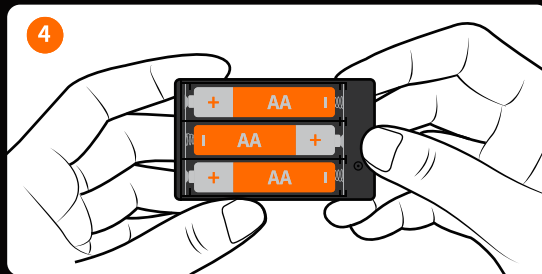

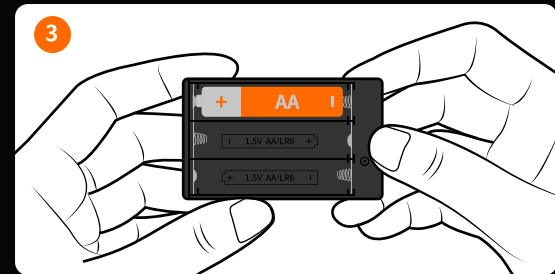

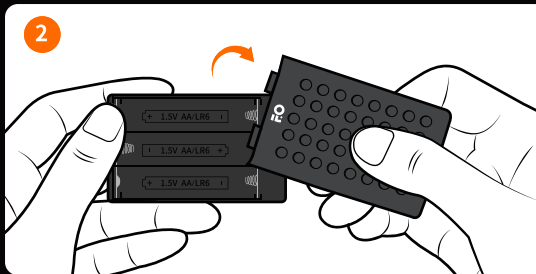

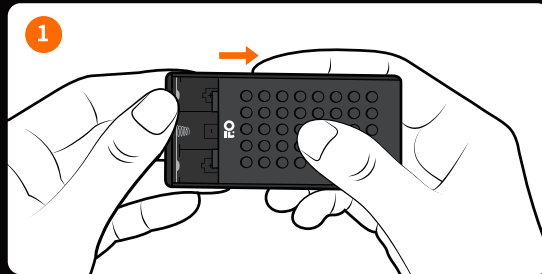

and ensure that the upper and lower connections to the "+" and "-" poles of the power switch are installed correctly.

If you have checked each string of lights according to the guide above and the lights still do not light up, please contact our customer service for assistance.

# SAFETY PRECAUTIONS

1. Before use, please make sure to check the voltage to avoid damage to the product and potential safety hazards.
2. The lights in the product are not replaceable. If they are damaged or not lighting up, please refer to the troubleshooting section or contact our customer service for assistance.
3. Avoid pulling on the light connection wires as this may cause damage.
4. Do not expose the product to water as it may damage the product.
5. If the plug does not fit easily into the port connector, reverse the direction and insert it again, rather than forcing it in, to avoid damage and short circuits.
6. Please read and follow the instructions carefully during building to ensure a good building experience.

Battery box name: No. 5 block battery box

Battery type: AA\*3 (No. 5)

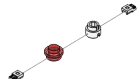

Battery rated voltage: 1.5V

# LED LIGHT KIT PACKAGE LIST

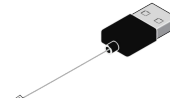

Please check and make sure you get all the lighting accessories. Contact us if there are any missing components.
