ABOUT FUNWHOLE

'FUNWHOLE' is a combination of the words "fun" and "whole", meaning "the whole fun of both day and night".

Founded in 2014, based on the desire to fully express the whole beauty of bricks (in day and night), FUNWHOLE is the world's first lighting bricks manufacturer.

FUNWHOLE is dedicated to the lighting bricks product, with a combination of bricks and lights. FUNWHOLE was birthed out of lights and bricks, allowing lights shine through your bricks and bring your night bricks to life.

As the pioneer to bring the first lighting bricks, FUNWHOLE was created to bring back brightness to the night world, making day and night whole with the lighting fun.

Engaged in building a creative brand, brick by brick, light by light, FUNWHOLE strives to bring fun and joy to millions of people.

FUNWHOLE creates more than bricks but also makes the lights shine through bricks, hoping every building brick lover can enjoy the beauty of lighting!

INSPIRATION

In this medieval village, besides the Forge House and the bustling Medieval Market, there is a Water Mill that exudes a countryside leisure atmosphere, showcasing a down-to-earth lifestyle. Albert is the owner of this Water Mill, having inherited his father's business. He is a strict yet kind-hearted man who continues to work diligently at the Water Mill every day despite his advancing age. Jack is Albert's apprentice, having grown up in the Water Mill from a young age. He is clever and resourceful, adept at solving various problems, and is considered the future star of the Water Mill. Jack has hidden a carefully prepared love letter in a corner of the Water Mill, planning to give it to his beloved—the daughter of the tailor shop owner—when the time is right. She is currently preparing to deliver her grandmother's apple pie to Jack, but it's not yet break time.

The Water Mill is designed to be highly interactive: the roof and walls can be quickly removed to clearly display the internal transmission structure and water wheel. By recreating the details of the water wheel's transmission structure, the control of the rocking arm makes both the water wheel and the millstone turn simultaneously, vividly showcasing the production scene and replicating medieval Water Mill craftsmanship.

Harold's Mill

WHAT'S INCLUDED

Please check and make sure you get all the items listed below.

Building Bricks

LED Light Kit

Brick Separator

User Manual

Service Card

TROUBLESHOOTING

The small size of lighting accessories makes them susceptible to damage during installation, and the following issues are common causes of failure:

1. Ensure that the connectors are correctly installed as shown in the picture.

2. Check if the wires are disconnected or broken from the solder joints.

3. Check the internal pins of the connector sockets. The internal pins of a properly working connector port should be straight. If the small pins are bent, they may be considered faulty ports.

4. Check that the power switch on the battery box is on and that the "+" and "-" poles of the battery are correctly placed (using new batteries) and ensure that the upper and lower connections to the "+" and "-" poles of the power switch are installed correctly.

If you have checked each string of lights according to the guide above and the lights still do not light up, please contact our customer service for assistance.

LED LIGHT KIT PACKAGE LIST

Please check and make sure you get all the lighting accessories. Contact us if there are any missing component

Note: when installing, don't pull it hard, bend it or shake it to avoid damage. The supply voltage should be below 5V, and the button battery holder voltage can be below 6V. Not for children under eight.

How to Unplug the Connector

Note that the new connector will be tight. To remove it, gently shake it from side to side until it loosens, then pull it out.

1. The connector is installed, as shown in the picture.

2. Use tweezers to hold the connector on both sides.

3. Gently shake the connector from side to side.

4. When the connector is tight, it will take several shakes to loosen it.

5. Remove the connector.

SAFETY PRECAUTIONS

1. Before use, please make sure to check the voltage to avoid damage to the product and potential safety hazards.
2. The lights in the product are not replaceable. If they are damaged or not lighting up, please refer to the troubleshooting section or contact our customer service for assistance.
3. Avoid pulling on the light connection wires as this may cause damage.
4. Do not expose the product to water as it may damage the product.
5. Please read and follow the instructions carefully during building to ensure a good building experience.
6. This product doesn't come with batteries, but the power bank can also power LED light kits.
7. While there are several models available, the operating procedures and mechanism for FO expansion boards and battery boxes remain consistent. For inquiries, we encourage you to reach out to our customer service team for assistance.

Battery box name: No. 7 block battery box

Battery type: AAA*3 (No. 7)

Battery rated voltage: 1.5V

LED LIGHT KITS INSPECTION GUIDE

1. To enhance your experience, please check the LED Light Kits according to the guide before starting assembly.
2. After inspection, please return the LED Light Kits to their original bags for future use.
3. If any issues occur, please contact customer service.

1x 1x 1x 1x

2x 7x 4x 2x

F-pack has two parts:
minifigure bricks and special bricks.
Assemble minifigure bricks according to
instructions on the right. Keep special
bricks for later assembly steps.
