ABOUT LUMIBRICKS

Welcome to Lumibricks, where imagination meets illumination in the brick world!

Formerly known as FUNWHOLE, the world's first lighting bricks manufacturer, Lumibricks continues its legacy as a trailblazer in the world of building brick sets with a unique twist - integrated lighting that transforms every creation into a radiant masterpiece.

Every Lumibricks' set celebrates the joy of building and the magic of illumination. Whether you're crafting intricate architectures or imaginative scenes, the design details and lighting features bring the sets to life, and also bring you joy and shine whether it is the day or night.

At Lumibricks, we believe in the power of light to transform and elevate. With our slogan, "Delight day and night," we invite you to explore the possibilities of illuminated brick sets. Discover a hobby that doesn't just shine - it glows with your inner creativity.
