This isometric view shows the assembly of a LEGO Technic model. The model is built on a grey base. The floor is made of brown Technic bricks. In the background, there is a grey structure that looks like a TV or a monitor. To the left of the TV, there is a small table with a red and white object on it. To the right of the TV, there is a small sofa. A yellow rectangle highlights a specific area on the right side of the model. A yellow pin is shown being inserted into a hole in the grey base. The number 2 is in the top left corner.
