This isometric view shows a LEGO Technic assembly. A large white Technic plate serves as the base. On top of it, a brown structure is being built. The brown structure consists of several brown Technic beams and plates. A red outline highlights a specific area on the brown structure, indicating the placement of black pins. Two blue circles with numbers 3 and 4 are placed near the red outline, indicating the specific locations for the pins. The assembly is shown from a perspective that highlights the depth and the various components used in the build.
