ABOUT FUNWHOLE

'FUNWHOLE' is a combination of the words "fun" and "whole", meaning "the whole fun of both day and night".

Founded in 2014, based on the desire to fully express the whole beauty of bricks (in day and night), FUNWHOLE is the world's first lighting bricks manufacturer.

FUNWHOLE is dedicated to the lighting bricks product, with a combination of bricks and lights. FUNWHOLE was birthed out of lights and bricks, allowing lights shine through your bricks and bring your night bricks to life.

As the pioneer to bring the first lighting bricks, FUNWHOLE was created to bring back brightness to the night world, making day and night whole with the lighting fun.

Engaged in building a creative brand, brick by brick, light by light, FUNWHOLE strives to bring fun and joy to millions of people.

FUNWHOLE creates more than bricks but also let the lights shine through bricks, hoping every building brick lover can enjoy the beauty of lighting!

INSPIRATION

We always take vacations with loved ones or friends to get away from the worries of everyday life, and it's nice to spend a vacation in a lakeside lodge in the summer and fall. This lakeside lodge has double-layer light cedar walls, a green roof that blends into nature, a separate front deck, and a tree that grows bent, showing a secluded, private retreat.

There're two levels, with an entry porch on the first floor and a red birdhouse off the porch. The porch is decorated with pumpkins freshly harvested, hanging clothes in the indoor doorway, placed the changed shoes. Inside the living room, there's a nostalgic rustic red sofa, a square-headed TV, and a floor clock. There is a small kitchen that allows vacationers to cook for themselves. It is decorated in original wood colors and the subdued wood-colored range hoods blend into the kitchen. The prepared traditional American ketchup and yellow mustard are on the wall shelves.

The staircase from the living room leads up to the second floor, which is a loft house with a deck and a loft window that overlooks the lake. The roof is originally green but has been slightly stained by the wind and sun, and the maple tree next to it is taller than the roof and has dropped some leaves on the roof.

The outdoor deck is perfect for fishing. On nights when summer turns to autumn, putting down green fishing lights at the bridge can attract fish to come, and you can set up a bonfire on the ground outside the house and roast them after catching fish.

WHAT'S INCLUDED

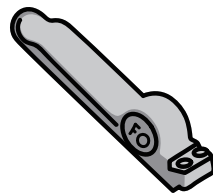

Please check and make sure you have all the items listed below.

Building Bricks

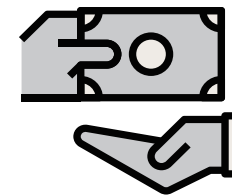

LED Light Kit

Brick Separator

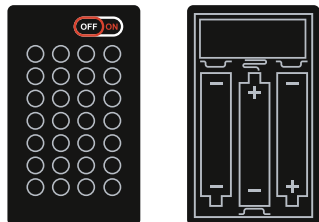

User Manual

Service Card

TROUBLESHOOTING

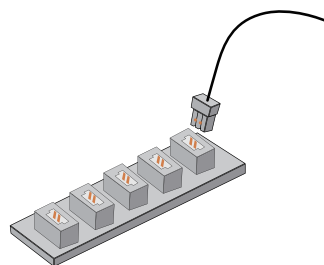

Due to the small size of the lighting accessories, they are easily damaged by improper installation and the following are common causes of failures.

1. Please check that the power switch on the battery box is on and that the "+" and "-" poles of the battery are correctly placed

(make sure you are using new batteries)

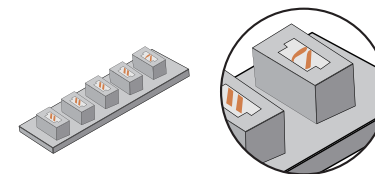

And check if the upper and lower connections to the "+" and "-" poles of the power switch are installed correctly.

2. Please check that the connectors are correctly installed as shown in the picture.

3. Please check the internal pins of the connector sockets. The internal pins of a properly working connector port should be straight, if the small pins are bent they can be judged as faulty ports.

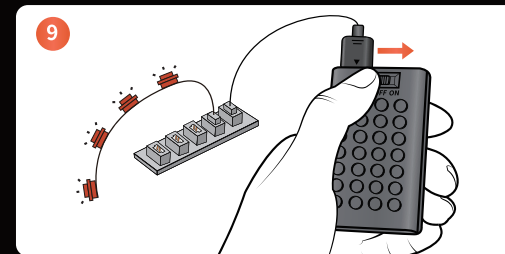

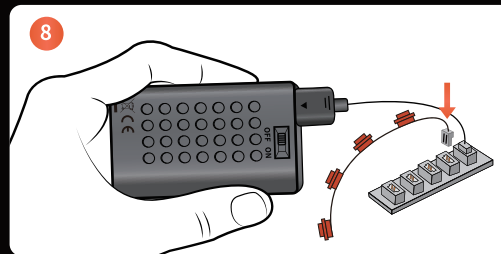

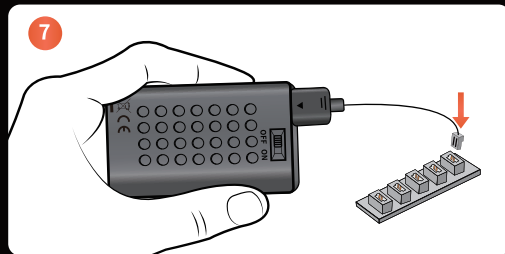

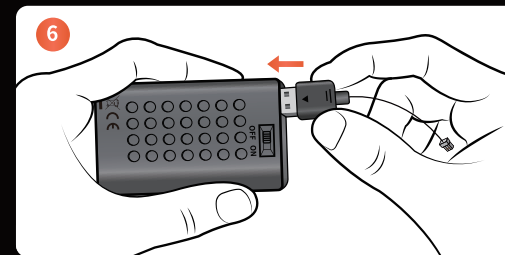

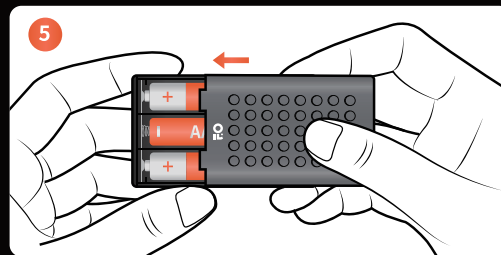

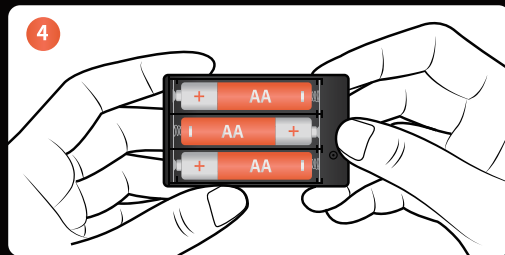

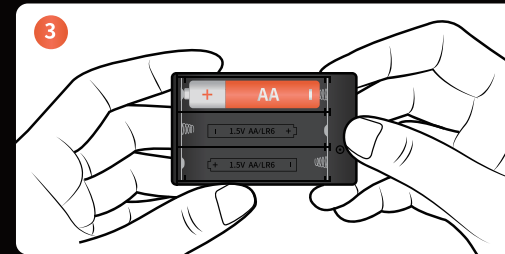

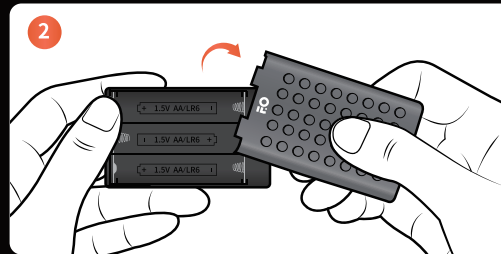

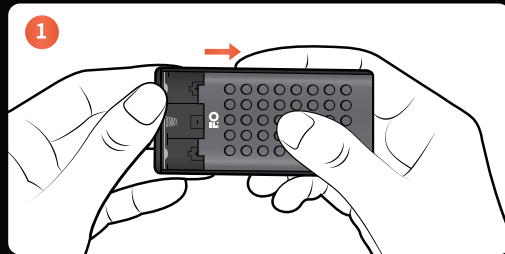

4. Please check that if the wires are disconnected or broken from the solder joints.

If you check each string of lights according to the guide above and the lights still do not light up, please contact our customer service.

SAFETY PRECAUTIONS

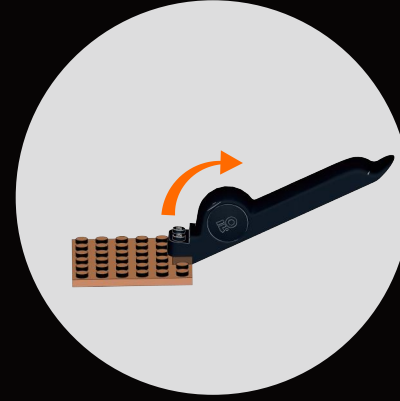

1. To avoid damage to the product and safety hazards, please check the voltage before use.
2. The lights are not replaceable, please refer to troubleshooting or contact our customer service if they're damaged or not lit.
3. Do not pull on the light connection wires to avoid damage.
4. Do not expose the product to water as this may damage the product.
5. If the plug does not fit easily into the port connector, please reverse the direction and insert it again. Do not force it in to avoid damage and short circuit.
6. Please read and follow the instructions carefully during building to make sure you have a good building experience.

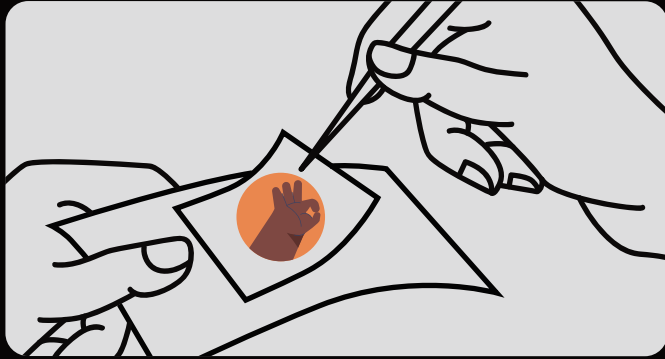

Battery box name: No. 5 block battery box

Battery type: AA*3 (No. 5)

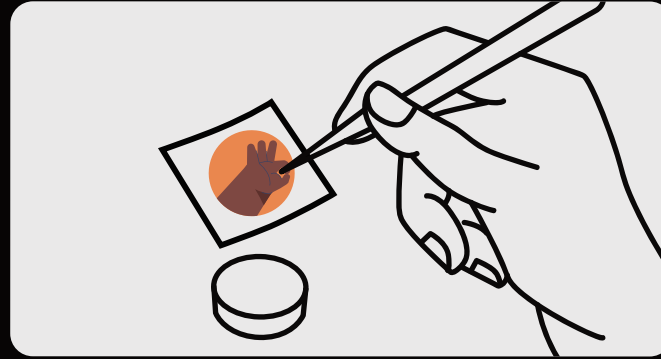

Battery rated voltage: 1.5V

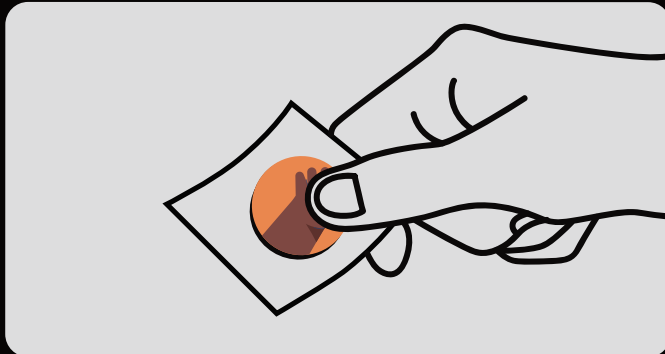

STICKER INSTRUCTION

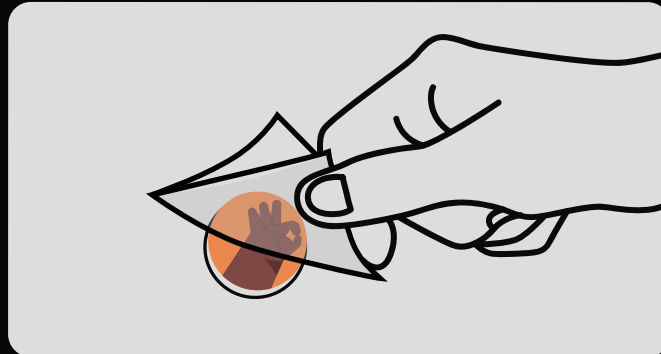

Pick up the transparent edge of the sticker with tweezers.

Align the position and stick the brick.

Press the sticker to make them stick tightly together.

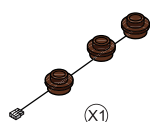

Tear off the transparent film.

LED LIGHT KIT PACKAGE LIST

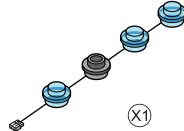

Please check and make sure you get all the lighting accessories. Contact us if there are any missing components.
